

Remarks

The specification has been amended to insert a cross reference to the International Application on which the present application is based, and has been further amended to correct inadvertent errors, which are essentially self-explanatory.

Claims 13-15 have been amended to depend from only a single preceding claim, in order to reduce the filing fee, as a result of which new claims 16-27 have been added to the application. These new claims are the same as claims 13-15 except for their dependency.

Respectfully submitted,

Shigeru YAMAGO et al.
